PROJECT TIME: About 30 Min.

Try this fun project as a photo craft activity for all the guests at a slumber party.

Here's a great idea to entertain the girls at a slumber party. Shoot photos of the guests and then use your PictureMate® to print them out and apply to a choice of fun bookmark designs. The girls can decorate with ribbons and other embellishments. Have a contest for the most creative and give a prize to the winner. Download templates FREE here at EpsonCreativeZone.com. You can also add photos digitally before you print. Either way, you'll have a fun, personalized bookmark that might even encourage more reading!

Materials Suggested:

(Not all are required) For printing: Epson Premium Presentation Paper Matte (letter) or Epson Premium Presentation Paper Double-sided (letter), Epson Presentation Paper Matte (letter) or Epson Bright White Paper, an Epson PictureMate® Personal Photo Lab, and an Epson Stylus Photo Printer.

Slumber Party-Themed Bookmarks:

These slumber party-themed bookmark designs can be used as a craft activity at a slumber party or to feature favorite slumber party photos after the event.

Step 1: Take pictures during your slumber party and print 2"x3" wallet sized photos from your PictureMate™ Personal Photo Lab.

Step 2: Click on the bookmark file to open as a .jpg, or import into your preferred layout or photo editing program. The bookmark document was created to fit 5 bookmarks on one 8 $\frac{1}{2}$"x11" sheet of paper.

Step 3: Personalize each bookmark by typing a personal message, names, dates, etc. on each individual bookmark. Use the project photo as a guide.

Step 4: Your personalizing is complete! Print the page. Remember to choose the correct paper size and paper type setting in your printer driver.

Step 5: Trim each bookmark along the white line. Using your favorite adhesive, adhere your 2"x3" PictureMate™ wallet sized photos to your pre-printed bookmark and embellish with ribbon if desired. Now you have a fun craft gift for your party guests!
